

Benefits of signing with Daisy and Awards

Why sign with Daisy

Over the years, our dedication to innovation, quality, and customer satisfaction has earned us numerous industry honours. We have been honoured with prestigious awards that recognise our exceptional products, service, and remarkable contributions to our field. These accolades serve as a testament to the hard work and expertise of our talented team, who continuously strive to push boundaries and deliver unparalleled results. We are grateful for the recognition and will continue to uphold our commitment to excellence in all that we do.

Awards

In 2022 Daisy received the ECN Partner of the the Year Award after only 2 years of Having ECN as a supplier. We managed to do this inspite of global events taking place during that period.

2022 Yeahs Awards

The PABX from Yeastar was awarded to Daisy for having the largest global rollout of the P-Series. We owe this success to all of our staff for their teamwork.

While most carriers of the Yeastar brand are certified gold partners, we have achieved platinum status due to the sheer volume of products sold. This can largely be attributed to our salesforce and their perseverance. We now have access to an advanced level of support thanks to our platinum status.
